Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Saturday 07 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A wet evening for most, with some thundery showers.

This Evening and Tonight:
Showers continue into the evening, some locally heavy, that persist into the night, heavier in southern areas of the region with a risk of thunder. Winds remaining generally light but breezier towards the coast. Minimum temperature 12 deg C (54 deg F).

Sunday:
Early morning showers continue, remaining intense locally with some thundery outbreaks. Clouds breaking to give sunny spells between downpours. Feeling cooler and breezy, with a dry evening for most. Maximum temperature 19 deg C (66 deg F).

Outlook for Monday to Wednesday:
Sunny spells and showers, some possibly thundery on Monday. A drier day on Tuesday with prolonged sunshine and lighter winds. Outbreaks of rain are likely on Wednesday, plus stronger winds.
